

## GUI SUMMARY DESCRIPTION

### INTRODUCTION

The KDPW Group service portal is accessible at <http://www.kdpwccp.pl/en> or <http://www.kdpw.pl/en/>. You will be redirected to the portal after you click the 'Login' button.

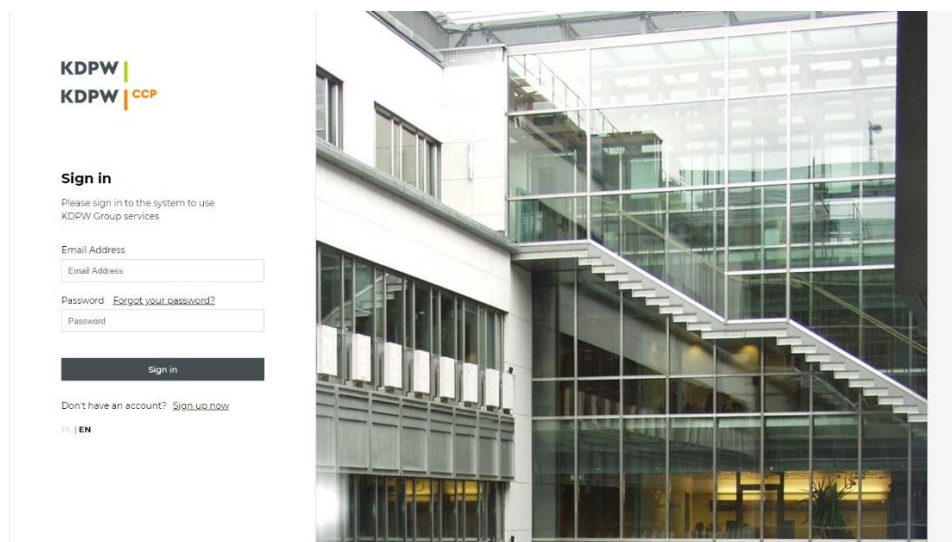

### DESCRIPTION

Here are some basic details regarding the user interface:

- ✓ User interface is web enabled;
- ✓ User does not have to install any additional software on the local machine;
- ✓ User connects to the portal using an encrypted session;
- ✓ User needs a single sign-on to gain access to all services, provided access rights are at the same level;
- ✓ User has only access to assigned services;
- ✓ Portal is available 24/7, whereas data will be accessible based on the KDPW\_CCP clearing calendar.

### AUTHENTICATION

Each KDPW Group service user must be authenticated once to access services.

Choose one of your services

**KDPW\_CCP core services**

Clearing House

**Add another service**
